Editor's Note

With our high school career coming to its end the Flicker staff hopes that this edition of the Flicker will serve as a continual reminder of our happiest years at G.H.S.

Many of your fellow students have greatly contributed to this Flicker, and it is difficult to list them all, however special recognition should be given to Carole Ellis, our assistant editor, Steve Smith, our financial editor, and a very special thank you to Mrs. Grace Figurido, our advisor. These people gave countless hours of their time to the creation of your 1980 Flicker.

Thank you all,
Lisa J. Pereen

"Only when you drink from the river

And when you have reached the mountain

And when the earth shall claim your
limbs, then shall you truly dance."

Football

The 1979 season showed the pride and determination of the Fighting Fishermen. The football team battled back from a 1-2 early season record to finish with an 8-2 record. The offense was led by the passing of Andy Orlando (1,001 yds.) and the running of John O'Connor (683 yds.). The offense line, led by seniors Joe Parisi, Nick Mocerri, Rob Fitzgerald and Dean Frontiero, put in a consistent season.

Defensively, the Fishermen got better and better. The defense shut out its last three opponents, including highly ranked Danvers. The defense was led by seniors Dan Greeke, Dean Frontiero, Rob Fitzgerald, Joe Parisi, Dean Nicastro and Mark Destino.

The season included come from behind victories against Newbryport, Saugus, and Marblehead. The greatest day for Gloucester came on Thanksgiving. Dean Frontiero's third period field goal put the Fishermen on the board for the only scare of the game. The victory left the Gloucester rated number three in Massachusetts Division II-East.

Tri-captains John O'Connor, Rob Fitzgerald, and Aaron Trefrey provided the inspiration to make the 1979 season a great one.

The 1979 Soccer Team had an unusually bad season. The team was made up of mostly sophomores, juniors, and only four seniors. Therefore the team suffered from lack of experience, and size. Although the Fishermen were outnumbered, and overpowered, we still maintained an enthusiastic attitude.

The Fishermen started off poorly, but the team was, still green and we hoped we would get it together.

Since our team was small in size, the opposing team would take advantage of this in the final quarter. Our players would be tired, due to constantly playing, and the other teams realized this and monopolized on it.

Conference Meet 4th
Class I States 14th

In only its second year of existence, the Girls' Cross Country Team had a highly successful season. Not only did it finish with an excellent record but also was the biggest team in the conference. Their dedication to workouts, including Saturday morning 10 mile runs and their team spirit were the key to their success.

The team was led by captain Heidi Knutsen who placed 3rd in the conference on 20th in the Class I States. Seniors Jennifer Gouzie and Joan Muise consistently placed in Gloucester's top five and will be missed as will senior Kirsten Af Klintenberg, Michelle Nicastro, Kim Cloutman, and Paula Wakama.

Despite losing seniors, strong running sophomores and juniors return next year. The group led by co-captain elect Donna Lupo who placed 4th in the conference and 30th in the state, Maryanne Mocer and co-capt. elect Kendyll Pickett with a summer of road racing and training ahead the Girls' Cross Country is looking forward to another successful season.

Golf Team

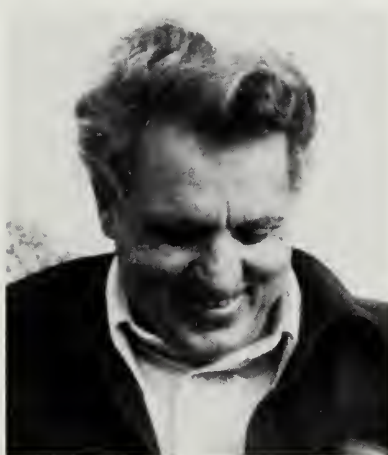

The Gloucester High School Golf Team, coached by Will Gouzie, finished with a surprising 8-2 record. Girls' Tennis

Coach Ann Ziergebel

The girls varsity tennis team had so many girls try out this year that coach Ann Ziergebel had to expand the size of the team from twelve members to fourteen. The size of the team did nothing to harm the team, as every player competed in at least two varsity matches. The lack of varsity playing time mattered little to those members it affected, for they provided the moral support and team spirit needed so much by the team members competing.

This team effort enabled the girls tennis team to compile a nine wins, five losses over all record in the northeastern conference. The record was the same as last year's, which was the best in the team's history. The team accomplished this winning record by commitment and determination to do the best they could, not for their own personal gain, but for that of the team.

The only teams to beat Gloucester all tied for first place in the conference, so although the girls had some disappointing losses they should all be proud of their achievement.

The Dots Concert

Rock Concert.

The "Dots" Rock concert was held on Nov. 30 at the GHS auditorium. The event was worked on for three months, planned and prepped by the Senior Class Officers. This was the first concert in a few years at Gloucester High, drawing many Gloucester youths to its audience.

The "Dots" are a group who have toured many years with professional rock musicians around the country.

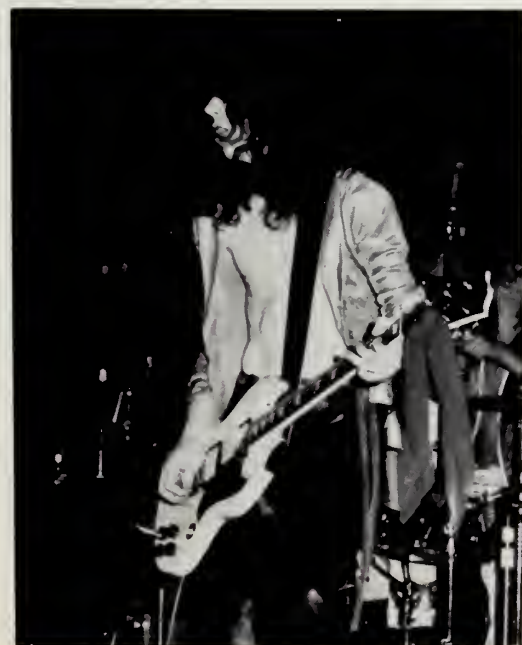

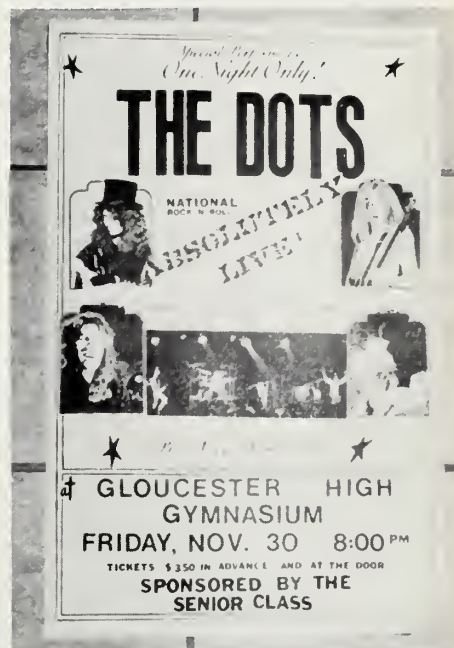

Their objective is to provide the youth with knowledge of their music. They are working on an album that will be out in a year.

Nationally, they have been warm-up bands for Seger, J. Geils, Foghat, and many more.

So, after drawing hundreds to a local concert, the "Dots" made their debut in Gloucester.

The Senior Class proved right in their faith of a concert to raise money. The treasury increased nearly \$1,000.00 forwarded to the many Senior Class Activities.

This was Captain, Jennifer Gouzie, who proved to be an asset to the team as she provided good judgement and spirit for the other team members. Due to the fact that there is only one senior next year's team should be exceptionally good.

Chris Rose showed an impressive 5.3 on floor for a first year gymnast. Much of the success was due to the team spirit as well as the hard work put in by the team members.

Chorus

— GHS Chorus

The GHS Chorus has planned a wide range of activities for the year. The highlight is an exchange concert with students from Paris Ontario, Canada. The Canadian students will spend three days in April in Gloucester performing and sightseeing and will stay in the homes of chorus members. Gloucester students will do the same in May. The choruses will combine on several musical selections which will form a total of almost two hundred singers.

Chorus members are raising funds for this trip by selling raffle tickets, Christmas gifts, posters, candy and a special performance called "Cabaret Night." The "Cabaret" will feature a complete buffet dinner as well as an evening of entertainment by chorus members from O'maley and GHS. O'maley will perform music from "The Muppet Movie," and Gloucester High School will do selections from GODSPELL. Special staging and lighting will bring out the costumes choreography designed just for this performance.

The chorus will conclude a buisssy on May 8 when they present their spring concert.

This is the 95th year for the Army Junior ROTC Program here at G.H.S. Although the basic course consists of Drill and Class periods, the key to the program's continued existence is in the many and varied other programs within the Military Department. Activities such as the G.H.S. Rifle Teams for both the boys and the girls, training opportunities at military installations, Gymkhana Night, Field Day, the Memorial Day parade, New England Regional High School Drill Competitions, Flag Day and the Sergeant's Party offer more than just a classroom environment.

The value of ROTC training becomes more apparent to the cadets after graduation from G.H.S. Regardless of what students decide to do after leaving G.H.S., be it college, the Armed Forces or immediate employment, most of them feel better for having been exposed to ROTC. The solid support of the School Administration and the entire city of Gloucester has allowed the ROTC to live and grow for almost a century at G.H.S. and this is appreciated by the thousands of students who have passed through the program.

The Class of 1980 held the annual Senior Prom at the Danversport Yacht Club in Danvers, MA on Thursday, May 22nd, 1980.

The evening consisted of a prime rib dinner, dancing, and music provided by the rock band, "Eternity," and much socializing amongst the members of the senior class.

As always, a queen and her court were chosen by the male guests present. Teresa Gove was chosen as 1980 Prom Queen. Anette Dion, Kandi Conrad, Kim Amero, and Tricia MacDonald were chosen as members of the court.

Lasting from 7:30-12:00 p.m., the Senior Prom proved to be a fun-filled memorable evening for all.
